NOTICE

Attention All Retired Employees of Coal India Limited

Till now, Coal India Limited (CIL) has empanelled almost 300 private hospitals all over India. In some cities, the penetration is very good, whereas in some places, we have not received sufficient eligible applications from private hospitals for empanelment. Retired employees, who are settled in different places all over India are requested to send their suggestions/ recommendations for empanelment of private hospitals in places where they feel we don't have sufficient number of empanelled hospitals to cater to their need.

They can also download the "Permanent request for Empanelment of Hospitals" available in our website, www.coalindia.in, at https://www.coalindia.in/Desktop Modules/DocumentList/documents/Permanent_Request_For_Empanelment_of_Hospital_10052016.pdf and give it to the concerned hospital for sending applications for empanelment.

Alternatively, please intimate name & address of the concerned hospital at the address given below so that we can approach the hospital for empanelment:
