Auditor's Report on Quarterly standalone financial results and year to date results of Coal India Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015

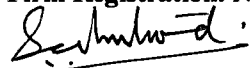

To
The Board of Directors of
Coal India Limited
Kolkata

1. We have audited the quarterly standalone financial results of **Coal India Limited** (hereinafter referred as '**the Company**') for the quarter ended 31st March, 2016 and the year to date results for the period 1st April, 2015 to 31st March, 2016 attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015. These quarterly financial results as well as the year to date financial results have been prepared on the basis of the Interim Financial Statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these financial results based on our audit of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard (AS) 25 for "Interim financial Reporting", prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India.
2. We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
3. Without qualifying our opinion, attention is drawn to the fact:
 - a) Investment of Rs. 8926.42 Crores in its 100% subsidiary companies namely Bharat Coking Coal Limited (BCCL) and Eastern Coalfields Limited (ECL) have come out of Board for Industrial & Financial Reconstruction (BIFR). These subsidiaries are turning around and have started earning profits. In the view of changing circumstances, the management is of the opinion that no provisioning is required against the erosion of Rs.2614.85 Crores (Previous year:4243.30 Crores) in the value of Investments, as the same is of temporary nature;
 - b) Non-provision for impairment against fixed assets written down value of which is Rs.11.76 Crores of Dankuni Coal Complex let out to South Eastern Coalfields Limited (SECL) for nominal lease rent of Re.1 per annum under cancellable operating lease agreement. In the opinion of the management, the actual worth of the assets including land is much higher than the book value and hence no provision is called for;
 - c) Title deeds for freehold land amounting Rs.6.38 Crores and for leasehold land amounting Rs.1.34 Crores have been verified by us and the same are held in the name of the company. Title deeds for freehold land for Rs.5.43 Crores are not available for our verification. Further, as per the details made available to us, title deeds for freehold land measuring 1072.97 hectares and leasehold land measuring 5558.23 hectares are not available, for which no value is recorded in the books of accounts,

- d) Balances under Long Term Loans and advances of Rs.157.04 Crores, Short-term Loans and advances Rs.0.39 Crores, Trade Receivables of Rs.0.39 Crores, Trade Payables of Rs.1.51 Crores and Other-Current Liabilities of Rs.207.48 Crores, have not been confirmed. Consequential impact on confirmation/ reconciliation/adjustment of such balances (which will not be material as per management), if any is not ascertainable;
4. In our opinion and to the best of our information and according to the explanations given to us these quarterly standalone financial results as well as the year to date results:
- (i) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 in this regard; and
 - (ii) give a true and fair view of the net profit and other financial information for the quarter ended 31stMarch, 2016 as well as the year to date results for the period from 1st April, 2015 to 31stMarch, 2016.
