Corrigendum

Subject: Correction in point No. (i) of the notice Regarding inclusion of additional sources for supply of coal through 'best effort' MOU to 4660 MW capacity and similarly placed capacity of 9940 MW having no LOA

This is in reference to the notice no. CIL/S&M/4660 MW/91 dated 08.03.2016 uploaded on the website of CIL/subsidiaries with following caption:

"Dispensation for the TPPs under 4660 MW and similarly placed capacity of 9940 MW".

Point no.(i) of the above mentioned notice may be read as below:

"In case of SECL, 75% of total supply might be of lower grades of coal (G6 and below) provided at least 25% of total supply is of higher grades (G5 and above) from Korea-Rewa by all modes i.e. on lifting of 100 tonnes of higher grades, entitlement for lower grades will be for 300 tonnes."
