Final Rationalized matrix of the State/Central Gencos

This is in reference to MoC letter dated 15.05.2018 on Methodology for Linkage Rationalization of IPPs. The process of rationalization of linkages of IPPs was schedule to follow after the rationalization exercise for State/Central Gencos.

The notice inviting Expression of Interest (EoI) from State/ Central Gencos has been published and circulated on 21.05.2018.

Based on the EOIs received from desirous State/Central Gencos at CIL, a Provisional Rationalized matrix was uploaded in the website on 4th June, 2018 for views and comments of the stakeholders by 8th June 2018. Subsequently, a meeting was organized on 18.6.2018 by CIL with SCCL, CEA and Railways, wherein few other transfer requests were also proposed for consideration. Based on the recommendation made in the above meeting, a revised matrix was uploaded in the website on 9th July, 2018 for information of the stakeholders and their comments.

Comments of NTPC, WCL, CCL & BCCL has been received at CIL and based on their comments, the following final rationalization matrix has prepared and approved and the same is being uploaded in CIL's website.

(Figures are in Million Tonne)

Power Plant	ECL	BCCL	CCL	MCL	WCL
DPL	+0.2			-0.2	
Koderma, DVC	-0.2	+0.2			
Raghunathpur, DVC		-0.2		+0.2	
Ropar, PSPCL		-0.5	+0.5		
Mouda St-II, NTPC*				-2.545	+2.545
Solapur, NTPC*				-1.275	+1.275
Tuticorin, TANGEDCO			-0.5	+0.5	

Note: * For allocation from WCL Cost-Plus Sources, detailed modalities shall be separately notified by WCL after obtaining dispensation from MOC as may be required.

The above matrix is being uploaded in CIL website for information of the Stakeholders. For implementation of the above rationalization exercise, concerned State/Central Gencos are requested to co-ordinate with the coal companies at the earliest. Any further queries in this regard may be sent to eauction.cil@coalindia.in/cilcontract@gmail.com.
