CIL/M&S/Import Substitution/ 192

Date: 18.03.2021

NOTICE
Offer of Coal Under Import Substitution

This is in reference to meeting held between Secretary (Coal) and Secretary (Power), held on 19.09.2018, and followed by Sub group meeting held on the same day, wherein, the matter of supply of domestic coal as import substitution has been recommended to bring the level of import coal for blending purposes to Zero Level. Accordingly, CIL has taken all possible efforts to achieve the same. The matter was further discussed in the meeting held under the chairmanship of Joint Secretary (LA), Ministry of Coal, Government of India on 06.04.2020 and AS (R), Ministry of Power Government of India on 10.04.2020, and accordingly coal is being supplied to the power plants having FSA under import substitution as per their requirement depending on its availability.

The issue of supply coal in the FY 2021-22 was deliberated during the sub-group meeting held on 17.3.2021 chaired by Joint Secretary, Ministry of Coal, wherein it has been decided to continue the supply of coal to the power plants under Import Substitution mechanism for FY 2021-22 too, and CIL/CEA was directed to put notice asking to submit the requirement for the FY 2021-22.

In view of the above, power utilities desirous of procuring domestic coal in lieu of imported coal are hereby requested to submit their coal company-wise requirements of coal for FY 2021-22. However, power plants may kindly note that supply would be made strictly as per availability and they have to honor their FSA commitment before lifting coal under import substitution. Such power plants will also be required to submit an undertaking mentioning that they will not import/curtail the import of coal for the financial year 2021-22.

The above details may be submitted by the desirous consumers at e-mail address gmsnm2.cil@coalindia.in for necessary action at our end. A copy of the same may also be send to CEA.
