OFFICE ORDER

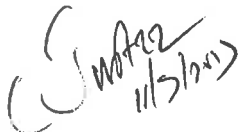

Sub: "R" factor for payment of PRP for the year 2009-10 to 2013-14

Further to Office Order No. CIL/C5A (PC)/PRP/2166 dated 24.06.2017, this is to inform that the "R" factor has been examined for years from 2009-10 to 2013-14 based on the additional financial impact communicated by the subsidiaries. It is found that the additional financial impact arising out of the revised norms is within the available PRP corpus for the above years.

As such, the "R" factors communicated earlier for the years from 2009-10 to 2013-14 shall remain unchanged.

The difference of payment arising out of the order mentioned above may be released to the concerned executives accordingly.

This is for information and compliance by all concerned.
